1. Belief

Incorrect Assumption:

The choice is all important.

Truth- *God views the decision making process as a critical catalyst for character formation.*

2. Read

Incorrect Assumption: There are many options but only ONE right choice. It is my job to decide on the ONE & thus solve the riddle.

Truth — *God's Word defines the boundaries from which we choose.*

3. Pray

Incorrect Assumption: God would answer your prayers according to your desires if you had more faith.

Truth — *God uses "no" for His purposes. Sometimes He changes our questions.*

4. Trust

Incorrect Assumption: I should have certainty of the decision before the choice is made.

Truth — *Faith is trusting God through uncertainty.*

5. Wait

Incorrect Assumption: Waiting is doing nothing & has no benefit in the interim.

Truth — *"Faith-waiting" is active and brings about renewal; "faithless-waiting" is inactive and brings about restlessness.*

6. Seek

Incorrect Assumption: We either use faith or wisdom in decision making.

Truth — *Good decision making uses both faith & wisdom.*

7. Walk

Incorrect Assumption:

Determining God's Will should be difficult.

Truth — *Decisions are most "natural" when they come out of a walk with Christ.*

8. Rest

Incorrect Assumption: If I make the wrong choice, I will be on God's "B" plan.

Truth — *In His sovereignty, God frequently redeems broken & bad decisions for His glory.*
